

Quality Policy

SO Recycle is a waste paper merchant providing shredding and recycling services.

The effectiveness of the Quality Management System will be achieved through:

- Consideration of the context of the organisation and aligning the Quality Management System with the strategic direction of SO Recycle
- Satisfying customer and applicable statutory and regulatory requirements
- Management of the organisation, along with employee established quality objectives and defined responsibilities for their fulfilment
- Establishing, applying, maintain and continual improvement of the effectiveness of Quality Management System in accordance with the international standard ISO 9001 and BSEN15713.
- Continual enhancement of customers' satisfaction
- Tracking and applying new technologies and educating employees
- Careful selection and assessment of suppliers
- Commitment to increase the quality of products and services in order to completely satisfy customers' expectations
- Making continuous improvement a part of every day and throughout every activity
- Continuously upgrading the Quality Management System in all process activities of the business

This Quality Policy is communicated to all persons working for, on behalf of the organisation and is made available to the public, as requested and is endorsed by the Executive Manager of SO Recycle
